Ayer's Sarsaparilla

A compound remedy, designed to be the most effectual Alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to ford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of innatase service to this large class of our afficient deliberatives. How completely this commound will citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following.

SCROPULA AND SCROPULOUS COMPLAINTS ERUPTIONS AND EQUITIVE DISEASE, ULCERS, ... PINPLES, BLOTCHES, TUNORS, SALT RESUMP - 47 SCALD HUAD, STPHILIS AND STPHILITIC APPRICATIONS, MERCURIAL DISEASE, DEOPSY, NEU-RALGIA OR TIC DOULOUREUX, DRHILITY, DYSon St. Anthony's Fine, and indeed the whole class of complaints arising from Jupunty of THE BLOOD.

class of complaints arising from Jupuary or the Blood.

This compound will be found a great promoter of health, when tak in in the spring, to expel the foul humors which fester in the blood at that season of the year. By the times by expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of four cruptions and theore is sores, through whigh the system will stries or rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find it impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is abstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will telt you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery if life is disordered or overthrown.

Barsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the droughout little of the virtue that is claimed for it, but more because many preparations pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been nafely.

contain but little of the virtue of Sarsaparilla, or any thing clas.

During late years the public have been madeled by large bottles, pretending to give a quarter of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick for they not only contain little, if any, Sarsaparilla, but often no curative properties what we call the followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Sall we call this compound Sarsaparilla, and intent to supply such a remedy anaball reseme the name from the load of obloopsy which rests upon it. And we think we have ground for believing it has virtue's which are intended of the ordinary run of the discusses it in intended to cure.
